## DOMINION ORDERS IN COUNCIL.

P.C. No. 636.

CERTIFIED COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 30TH APRIL, 1925.

THE Committee of the Privy Council have had before them a report, dated 22nd April, 1925, from the Minister of the Interior, stating that an application has been made by Mr. George Dillabough, of Sicamous, to lease a parcel of foreshore containing 0.47 acre fronting property which he owns in Section 36, Township 21, Range 8, west of the sixth meridian, as shown coloured pink on the plan attached hereto.

The property is required for the erection of a shingle and saw mill and is reported to be the most suitable place in the neighbourhood for this purpose.

The site has been inspected and favourably reported upon by an engineer of the Department of Public Works and by an agent of the Department of the Interior, and the application has the approval of the Department of Marine and Fisheries.

The Minister therefore recommends that he be authorized to issue a lease to Mr. Dillabough for the required foreshore for a term of ten years at an annual rental of five dollars (\$5), renewable for a further period of ten years upon such terms and conditions as may be prescribed by Your Excellency in Council, and that the lease be subject to cancellation upon six months' notice and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,  
*Clerk of the Privy Council.*

To the Honourable

*The Minister of the Interior.* 9411-my14

### MUNICIPAL BY-LAWS.

#### CORPORATION OF DELTA.

A By-law to provide for the Adaptation of a certain Portion of the Drainage and Dyking Works of a Portion of the Municipality of Delta for Irrigation Purposes, and for levying the Cost of such Irrigation-works upon the Lands benefited thereby.

Provisionally adopted the 14th day of March, 1925.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the adaptation of the drainage or dyking works hereinafter mentioned have petitioned the Council of the Municipality of Delta, praying that the Council take steps and proceed and do such work as may be necessary for the adaptation of a portion of the drainage and dyking works of the Municipality of Delta for the purpose of providing irrigation for the lands

situate within that portion of the area of the Municipality of Delta hereinafter described, that is to say: Commencing at a point where the Trunk Road crosses Chiluckthan Slough; thence east following the Trunk Road to the Green Road; thence north to Crescent Slough; thence east following said slough to the east boundary of Lot 137, Group 2; thence south to the Trunk Road; thence east following the Trunk Road to the Tasker Road; thence south following the Tasker Road to Boundary Bay; thence westerly following the shore of Boundary Bay to a line through the centre of the South-east Quarter Section Fourteen, Township 5; thence west to the north-west corner of Lot Two, Section 15; thence south to the south-west corner of said Lot Two, Section 15, Township 5; thence west to the south-west corner of Section 15, Township 5; thence north to Chiluckthan Slough; thence following said slough to the south-east corner of Lot 117, Group 2; thence north to the north-west corner of Lot 188, Group 2; thence east to the south-west corner of Lot 110, Group 2; thence north to the Great Northern Railway; thence east following the said railway to Chiluckthan Slough; thence north following the slough to point of commencement; also including the east 60 acres of Lot 107, Group 2:

And whereas thereupon the said Council procured an examination to be made by C. E. Cooper, C.E., being a person competent for such purpose, of the said drainage and dyking works proposed to be adapted for irrigation purposes as aforesaid, and has also procured plans and estimates of the work to be made by the said C. E. Cooper, C.E., and an assessment to be made by him of the land to be benefited by such irrigation-works, stating as nearly as he can the proportion of benefit which in each case will be derived in consequence of such irrigation-works by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said C. E. Cooper, C.E., in respect thereof and of the irrigation-works being as follows:—

LADNER, March 7th, 1925.

*Delta Municipal Council,*  
*Ladner.*

GENTLEMEN,—In accordance with the instructions given me by your Council to examine and report upon proposed irrigation of the land as described in petition presented to the Council, I beg to report as follows:—

The area as outlined in this petition is provided with ample drainage-ditches having outlet into Crescent Slough to the Fraser River.

I believe that serviceable irrigation of the land above referred to can be obtained by admission of water from the Fraser River into the drainage-ditches through the flood-boxes at the outlets of the Crescent and Chiluckthan Sloughs.

In order to retain water I would recommend that a sluice-gate be constructed in the drainage-ditch on the east side of Crescent Island Road near south side of Crescent Slough and on the south end of the flood-box in Chiluckthan Slough, also one on south end of culvert on the Trunk Road at the Benson Road, together with the installation of any small boxes with check-gates that may be necessary along Crescent Slough within the area above referred to.

I would further recommend that such means be adopted as may be necessary to prevent the flooding of lands along the Crescent Slough outside of the area above referred.

I further recommend that the cost of installing be assessed an equal rate per acre on the land within the area as outlined in the petition.

I remain,

Yours obediently,

(Signed) C. E. COOPER.

Total .....	\$1,300.00

And whereas the said Council is of the opinion that it is desirable to adapt such portion of the dyking or drainage works of the locality hereinbefore described for irrigation purposes:

Be it therefore enacted by the said Municipal Council of the Corporation of the District of Delta, pursuant to the provisions of the "Municipal Act":—

1. That the said report, plans, and estimates be adopted, and that the irrigation-works connected therewith be made and constructed in accordance therewith.

2. That for the purpose of paying the sum of \$1,300, being the amount charged against the said lands so to be benefited as aforesaid, other than lands belonging to the municipality, the following special rates over and above all other rates shall be assessed and levied upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be assessed and levied as aforesaid in one assessment in the year 1925 after the final passing of this by-law.

3. That for the purpose of maintaining such irrigation-works there shall be assessed and levied in each year upon the undermentioned lots and parts of lots a sum of money that will bear the same relative proportion to the total cost of maintenance as the rate per acre so assessed and levied as in paragraph 2 hereof mentioned bears to the total cost of such irrigation-work.

4. This by-law may be cited for all purposes as the "Delta Irrigation By-law, 1925."

Passed the Municipal Council this 14th day of March, 1925.

Reconsidered and finally passed this 11th day of April, 1925.
